

Project 4 – Encouragement Cards – Due March 10

We all need encouragement from time to time. Sometimes we need encouragement when we are having a hard time; sometimes it is nice to be encouraged for a job well done; and sometimes it is nice to be encouraged just to brighten our day.

For this project you will need to write someone you know an encouragement card. You can write to someone who is having a hard time and could use some encouragement or you can write a thank you card to express your appreciation for what someone has done for you. Expressing appreciation is a good way to encourage someone.

Cut off the portion below and Return it by March 10

Project 4 – Grade 6 Boys Club Graduation Speech – Due March 10

Project 4 is a unique challenge for grade 6 boys, it's an opportunity for you to write a speech summarizing some of your best memories from your Boys Club experience (even if this is your first year). It is an opportunity for you to think back over your Boys Club experience and share what has been fun, exciting, interesting, and meaningful.

To complete project 4 you will need to write a speech that is approximately ½ page long (about 125 words). You should write about your highlights (eg: favourite activities, best memories, meaningful events) of being in Boys Club. Explain why these things are highlights (ie: what makes these things highlights).

You will present your speech to your class on March 10. Opportunity will also be given for one or two boys to share their speeches on achievement night.
