

Project 2 – Family Chores – Due November 29

Helping and doing your part is an important part of being a family. Sharing the responsibility of household chores is one way to contribute to family life, show honour your parents and show love to your family.

For this project you will need to choose one of the chores below and do it each day for 2 weeks. If you are already doing one of these chores, you can just continue what you are doing, or you can add a little extra work to what you are doing to be a contributing member of your family. If for some reason you must miss a day, work one extra day at the end of your 2 weeks.

Choose one of the following:

- Do dishes once a day for 2 weeks.
- Set and clear the supper table for 2 weeks.
- Sweep the kitchen and dining room floor after supper for 2 weeks plus vacuum the house once a week for 2 weeks.
