

**Project 3 – Family Night – Due February 7**

For this project you will need to pick, plan, prepare and have a Family Night. If you have a brother in Boys Club you can work at this together.

**Pick** – Think of an activity that everyone in your family would enjoy. Some ideas are: board games, cookie baking, looking through your family photos. Pick one of these ideas or come up with your own creative idea.

**Plan** – Now that you have an idea, you will need to plan your activity. You will need to answer the following questions:

- What supplies are needed for the family night?
- When will you have your family night?

**Prepare** – Discuss your plan with your parents to make sure they are okay with the plan (you may need to make some changes to your plan). Gather the supplies that will be needed. Prepare everything that will be needed.

Have a great time with you family.

Write a short review of what you did.
