Project 4 – Grade 6 Boys Club Graduation Speech – Due March 13

Project 4 is a unique challenge for grade 6 boys, it's an opportunity for you to write a speech summarizing some of your best memories from your Boys Club experience (even if this is your first year). It is an opportunity for you to think back over your Boys Club experience and share what has been fun, exciting, interesting and meaningful.

To complete project 4 you will need to write a speech that is approximately ½ page long (about 125 words). You should write about your highlights (eg: favourite activities, best memories, meaningful events) of being in Boys Club. Explain why these things are highlights (ie: what makes these things highlights).

You will present your speech to the Boys Club group on March 13. Opportunity will also be given a few boys to share their speeches on achievement night.
